Four things worth watching for on 2026-08-09

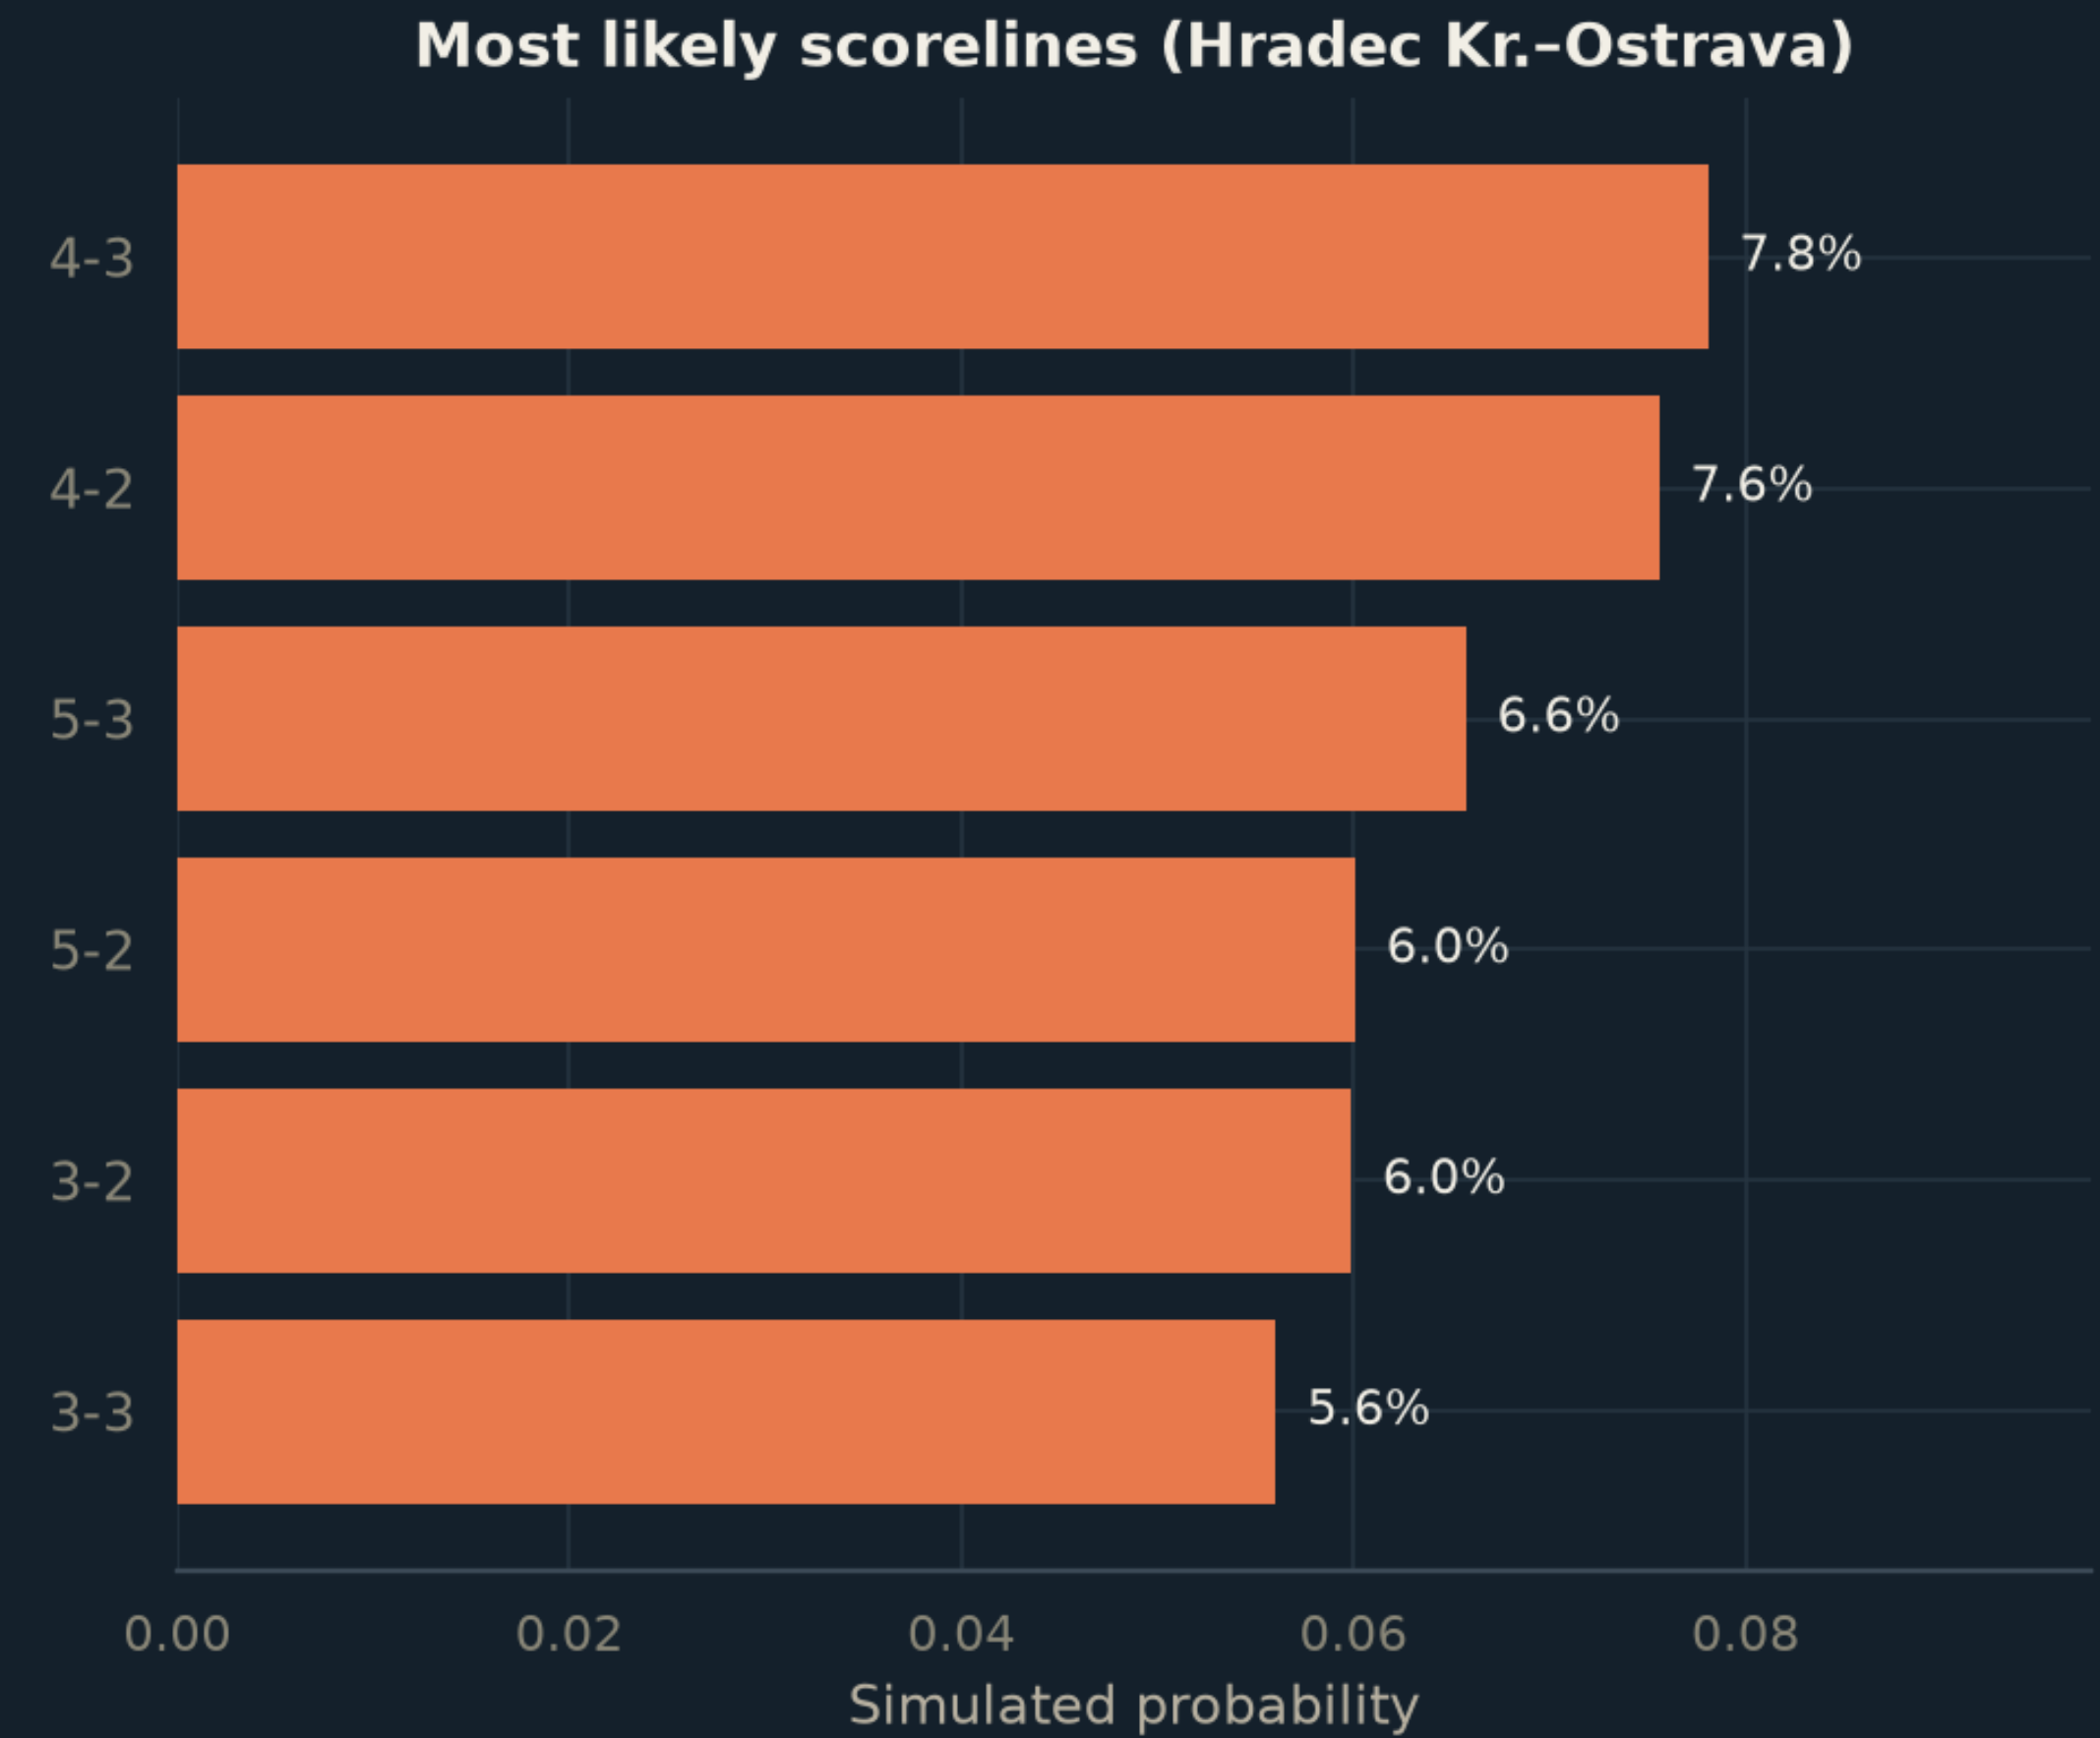

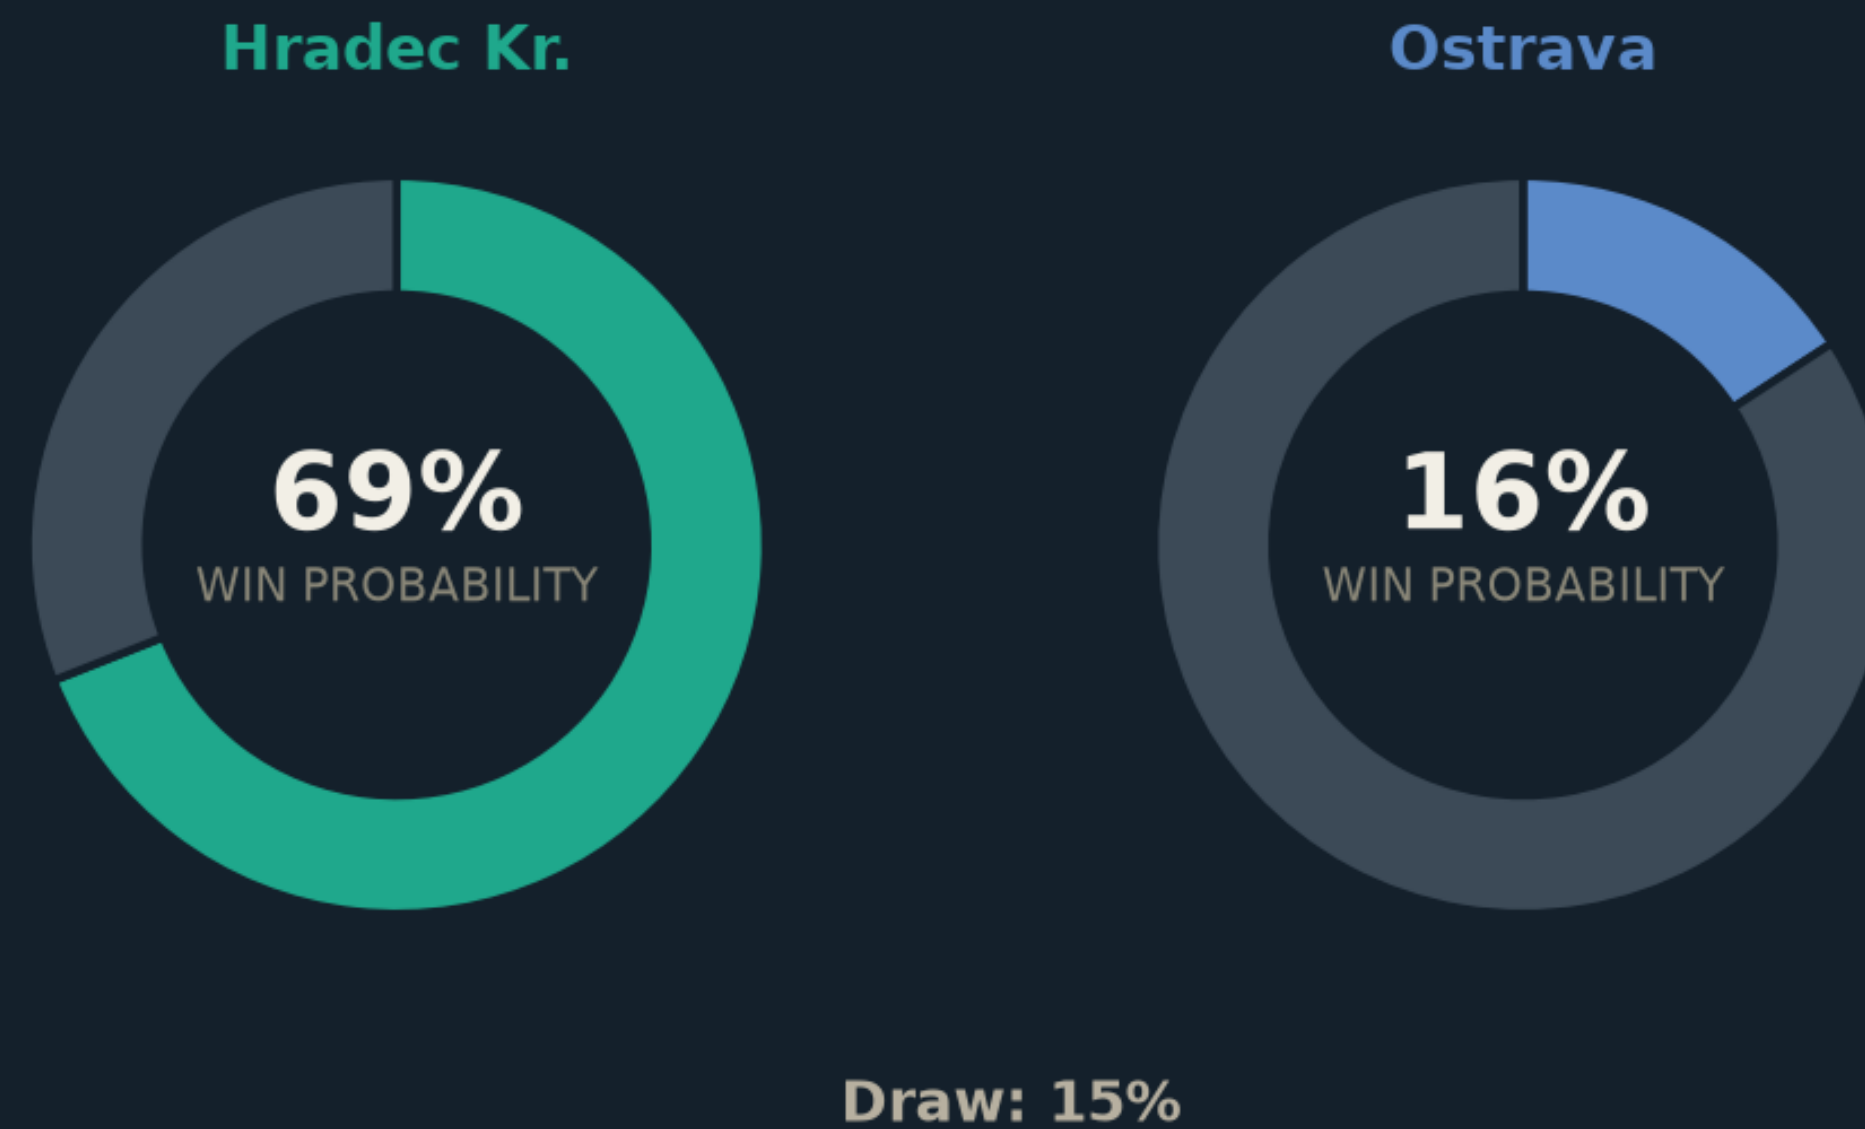

Reasoned from each side's season-to-date numbers

- 1.** Hradec have conceded far less (1.90 xG across 2 matches) than Ostrava have (7.41 xG) -- most of that gap came in Ostrava's 0-4 home defeat to Slavia Praha, so their defensive record is shakier than the single opening win suggests.
- 2.** Ostrava have pressed considerably higher so far (PPDA 11.1 vs Hradec's 14.2) -- if that intensity travels on the road, Hradec's buildup play will be under pressure from the first whistle.
- 3.** Ostrava have actually racked up more final-third touches (440 vs Hradec's 357) but converted them far less efficiently (2.85 xG from 22 shots vs Hradec's 4.25 from 19) -- territory alone hasn't been enough for them without sharper shot selection.
- 4.** This reads as a genuine form gap, not a coin-flip: Hradec sit unbeaten so far (1W 1D 0L, 4 pts) with the far better underlying numbers, while Ostrava (1W 0D 1L, 3 pts) followed their opening win with a 0-4 home defeat to Slavia Praha -- the away trip to Hradec is a tough spot to arrest that slide.

★ *Small-sample caveat: every number above is drawn from 2 matches per team so far this season. Treat as an early style signal, not settled form.*
