Four things worth watching for on 2026-08-08

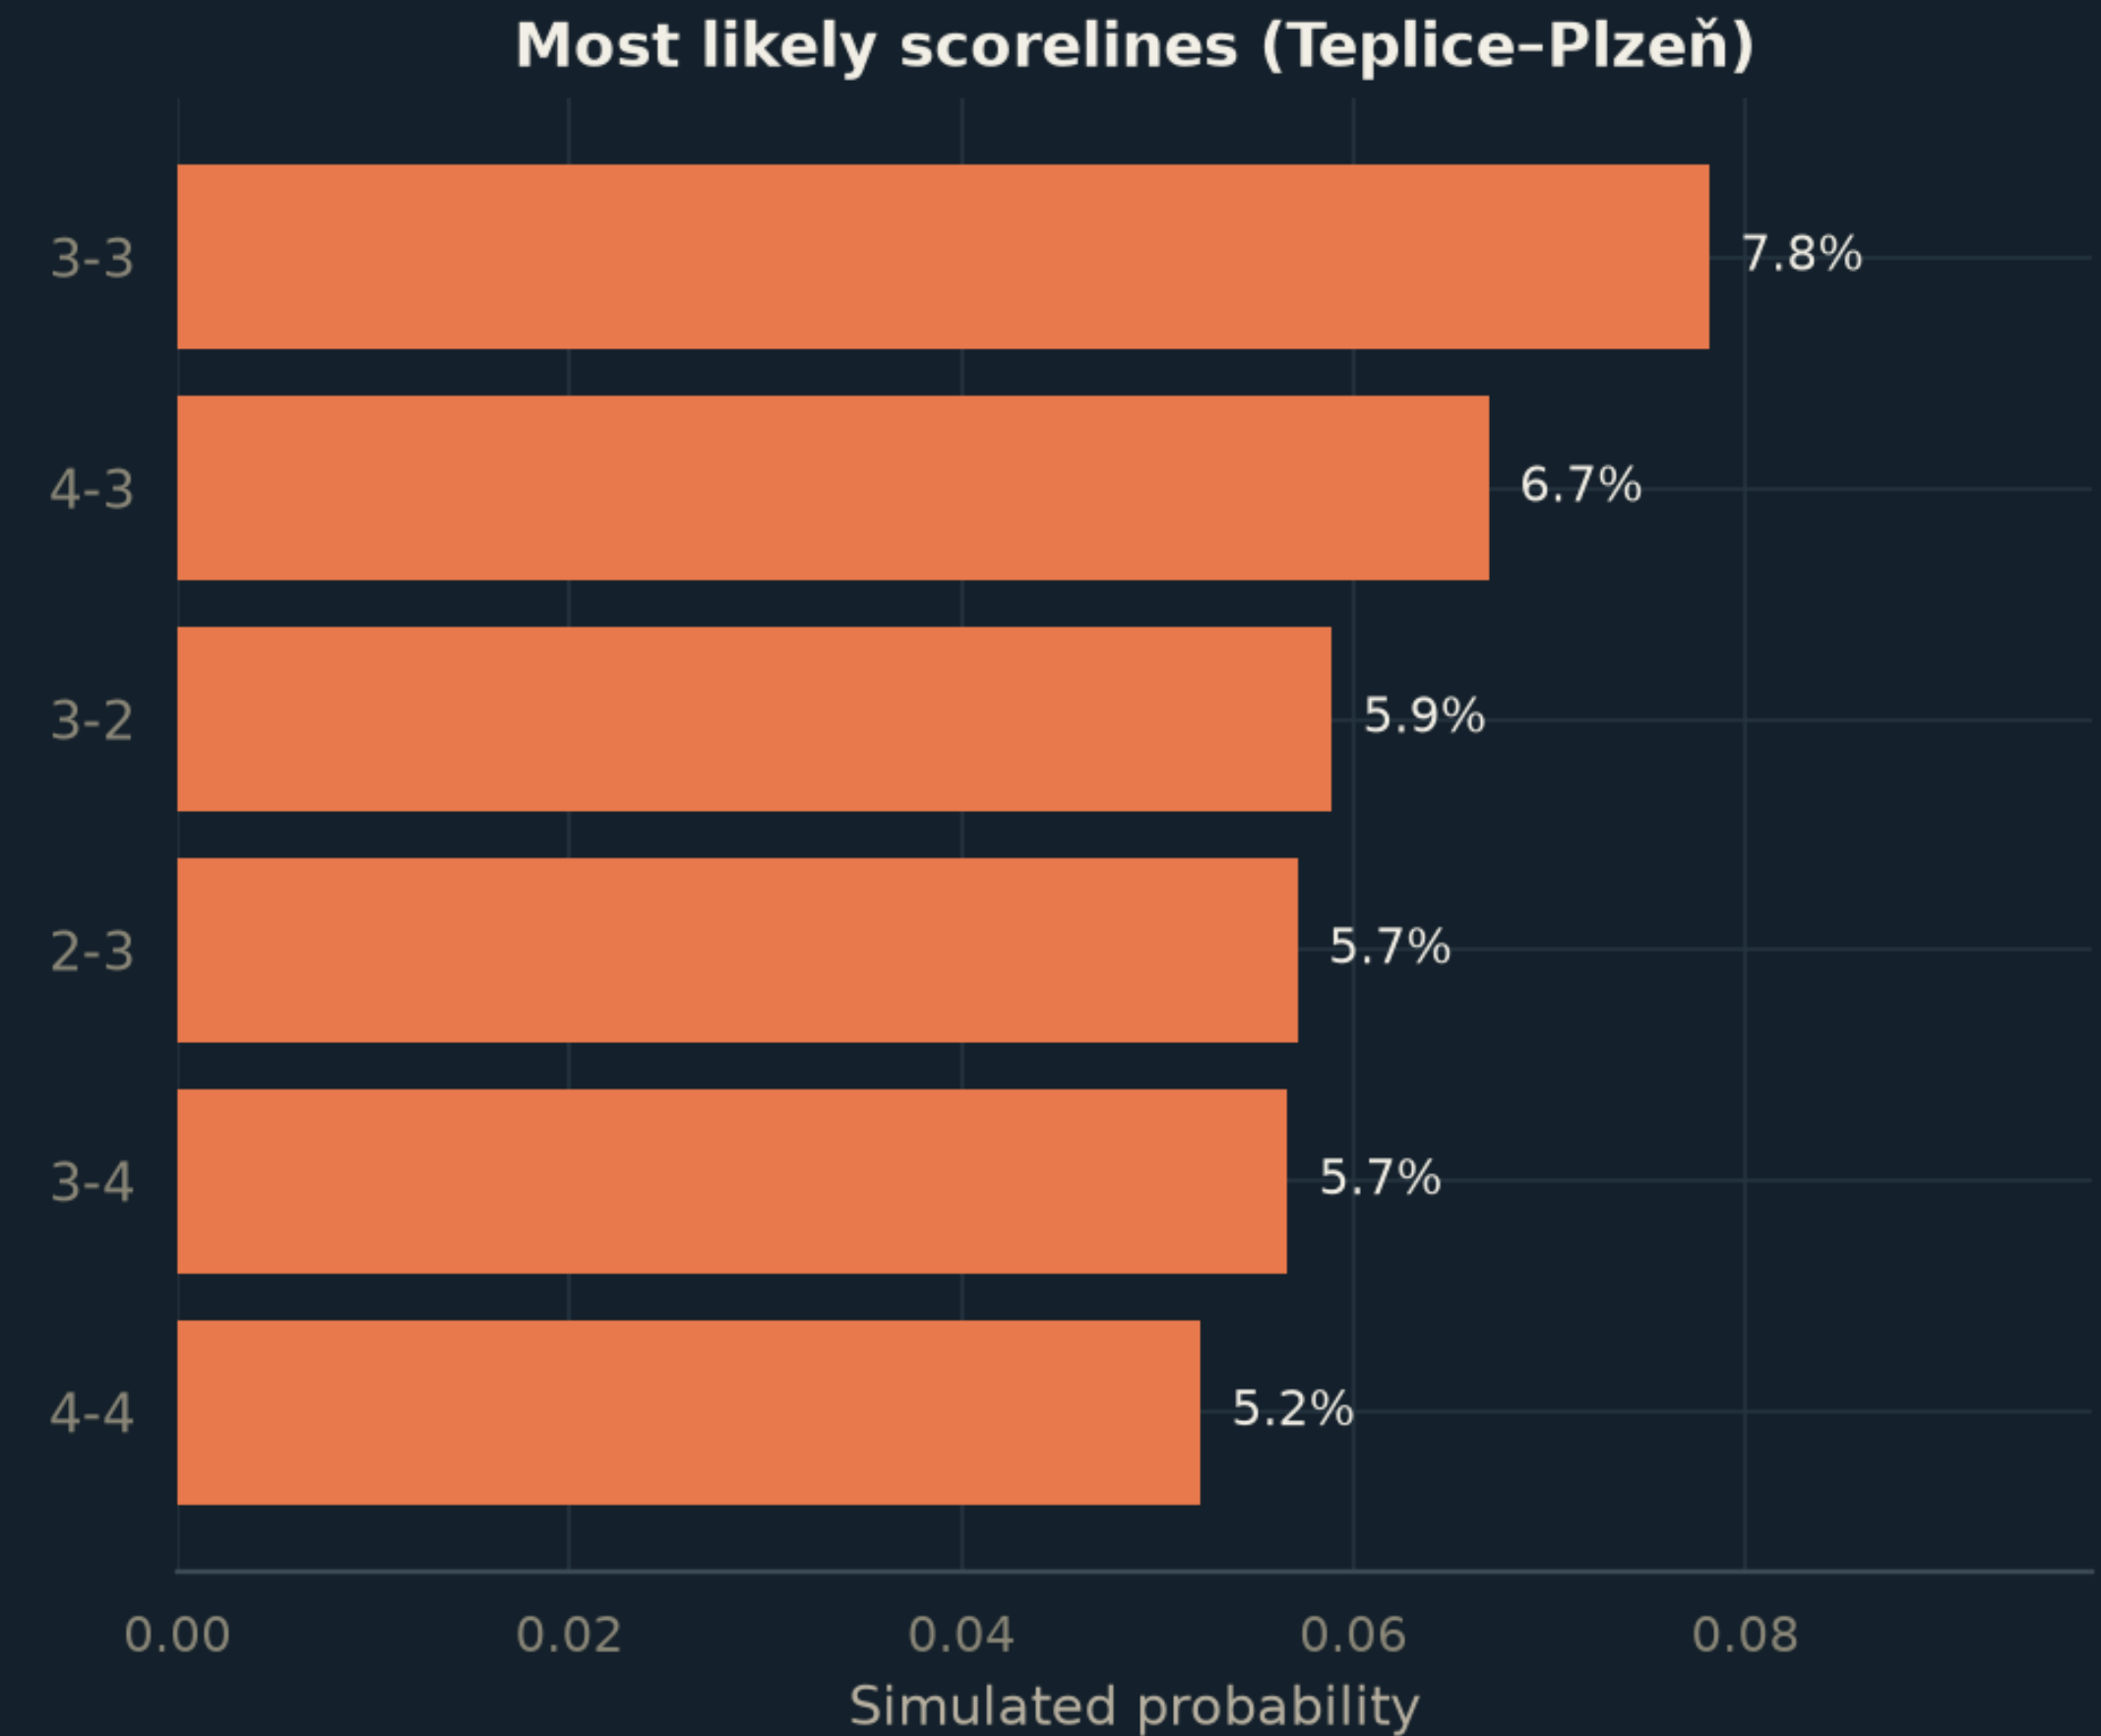

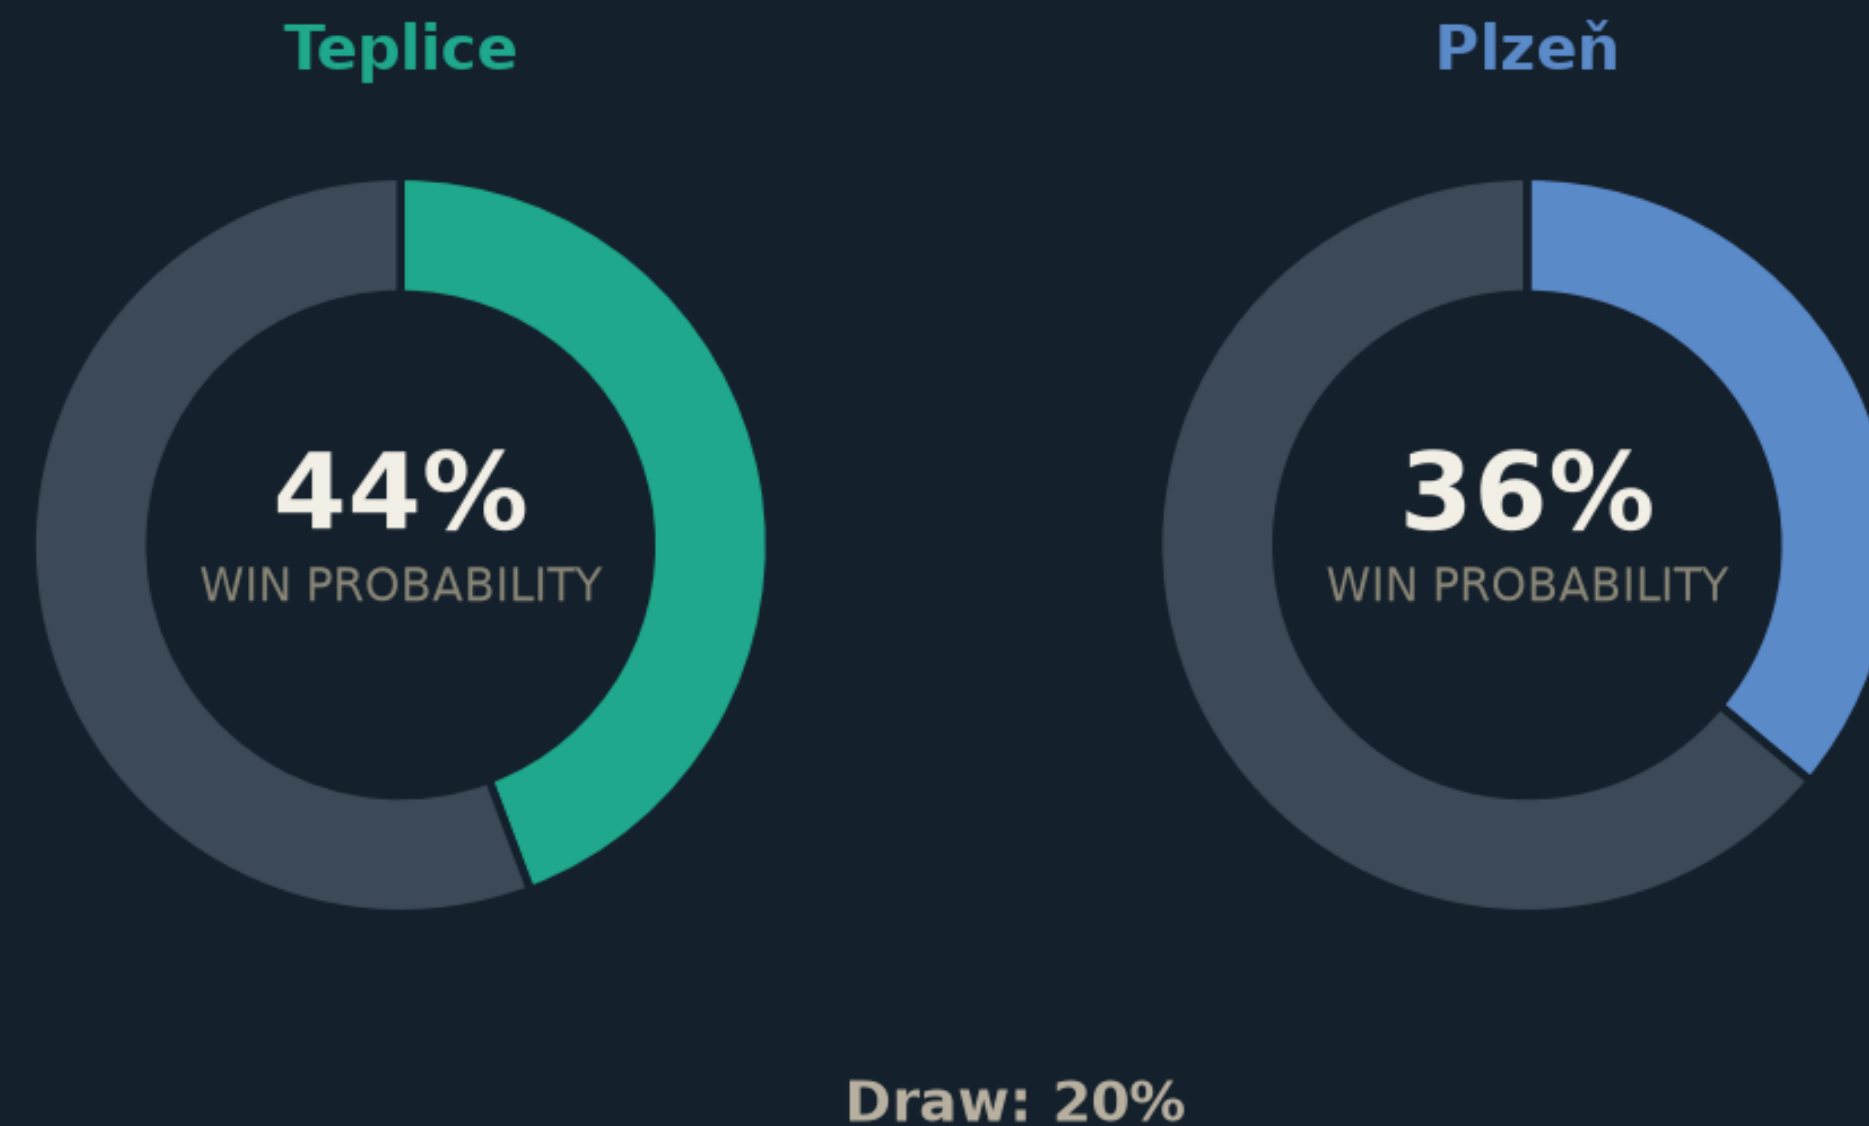

Reasoned from each side's season-to-date numbers

- 1.** Teplice have conceded far less (1.59 xG across 2 matches) than Plzeň have (2.66 xG) -- most of that gap came in Plzeň's 1-3 home defeat to Slovan Liberec, so their defensive record is shakier than the single draw with Zbrojovka Brno suggests.
- 2.** Teplice have pressed higher so far (PPDA 13.5 vs 16.1) -- expect them to try to disrupt Plzeň's build-up early rather than sit off.
- 3.** Teplice have spent more of their matches in the final third (500 touches there vs Plzeň's 360) -- if that territorial edge holds at home, Plzeň will need to defend deep for longer spells.
- 4.** This reads as a genuine form gap, not a coin-flip: Teplice sit unbeaten so far (2W 0D 0L, 6 pts) with the far better underlying numbers, while Plzeň (0W 1D 1L, 1 pts) are still searching for their first win, having followed their opening defeat with a home draw against Zbrojovka Brno -- the away trip to Teplice is a tough spot to turn that around.

★ *Small-sample caveat: every number above is drawn from 2 matches per team so far this season. Treat as an early style signal, not settled form.*
